"Good [morning/afternoon], please may I speak with [Landlord Name]?"

My name is [Your Name] and I am a property manager at [Company Name]. I am screening [Applicant Name] who has applied to rent one of my properties. They have listed you as a previous landlord.

I have just a few quick questions — it should take about two minutes.

1. Did [Applicant Name] occupy a property managed or owned by you? From when to when?
2. Did they pay rent on time, in full?
3. Were there any complaints from neighbours or other tenants?
4. Did they leave the property in good condition?
5. Would you rent to them again?
6. Is there anything else I should know before I make a decision?

Thank you very much. I appreciate your time."

Note: Record responses in the Notes field of VC-02 in Section 4.
